

South Texas Preparatory Academy

Math 8 Course Summary

(956) 381-5522

Teacher	Conference Times	Extension	Room	E-mail
Mrs. Magana	A-Day 3A B-Day 1B	2658	143	Yaquelin.magana@stisd.net

Purpose/Objective:

The goal of the math department is to provide each student with the mathematical skills and knowledge to be successful in their educational pursuits.

Technology:

The utilization of technology for all subjects is an integral part of the learning process at STPA. Studyisland is an internet based programs that will be used by the math department. Parent and students will be able to track academic performance via Infinite Campus website. Students will receive access to www.my.hrw.com where they will have access to tutorial videos and additional reference/practice materials that will be beneficial to their academic learning. Students will be provided the TI-*n*spire CX calculator during class time.

Grade Categories:

1. Assignments
 - a. Class notes
 - b. Class work
 - c. Homework
 - d. Projects – may count as an assignment, quiz or test

2. Quizzes
3. Tests

Grading Weights:

- | | |
|----------------|-----|
| 1. Assignments | 30% |
| 2. Quizzes: | 30% |
| 3. Test: | 40% |

Formative Assessment

Frequently during the year, formative assessments will be given. These may be given in the form of homework, written or oral quiz, discussion, or test. Feedback will be given on these formative assessments. The formative assessments are critical to learning because they provide feedback as to what essential learning we will focus on next. They will help influence and shape the process of learning while we still have time to improve before test or grades are given.

Grading Procedures:

- All work is due at the designated assigned time.
- Students absent on a day work is due shall submit the due assignment on the first day returning to class.
- All homework is due at the beginning of the class hour.
- Assignments submitted electronically are due before the beginning of class time on the scheduled due date.
- On some occasions there will be a need for makeup work assignments. Provisions will be made during tutorial for makeup work. Students may complete the makeup work form and secure my signature upon us discussing the assignments and due date during tutorial time.
- Late homework will receive point deduction, the amount of points deducted is determined by the teacher.

Math 8 Course Summary

(956) 381-5522

Retesting procedures:

Students may retake tests only once upon completing all prerequisite work designated by the teacher and must be successfully completed within an agreed upon timeline before a retest is given. The time and date for all retests is determined by the teacher.

The grade of the re-test will be the final grade.

Quizzes, and Semester exams may not be retested.

Pyramid of Interventions.

The objective of this class is for every student to successfully demonstrate mastery of the Texas Essential Knowledge and skills (TEKS) and the South Texas ISD Essential Learning Outcomes (ELO's) for Math. Students demonstrating success will have flexibility in class activities and out of class time. Students not successfully progressing will be assisted by the in class pyramid of interventions and the campus pyramid of interventions. These interventions may include special class activities and assignments, required tutorial during the school day or after school, and other interventions specific for the student.
