

STUDENT APPLICATION FORM – SUMMER 2018

Rising STISD 9th Graders Residential Exploration Camp at the Texas A & M University

June 25th – 29th, 2018

Camp Information:

This weeklong residential camp is organized to provide activities, experiments and projects for rising 9th-grade STISD students. The camp will focus introducing them to college life and promoting Science, Agriculture, and Geosciences subjects as a potential career path. Campers will attend classes that include problem solving, college access information, research and communication skills.

The camp will be held at the Texas A & M University, located in College Station, Texas. Students will be housed on campus under strict supervision.

Who Should Apply?

- Rising STISD 9th grade STPA students currently undergoing the enrollment process with one of our STISD high schools.
- Students interested in future careers in Science, Agriculture, and Geosciences or students interested in learning more about related fields and Texas A & M University.

Application Process:

- Parent/Guardian and student complete the attached student application form.
- Student writes a one page (250 word max) essay.
- We will collect a recommendation form from your 8th grade Science, Math, Social Studies and ELA teacher. Students are **not required** to get recommendation letters from teachers.
- The selection committee will select 30 participants and two alternates.
- **The committee's selection is final.**

APPLICATION DEADLINE IS April 20st · 4:00 pm. NO EXCEPTIONS
