Happy New Year!

Welcome to a brand new year! We hope that your holiday time was relaxing and rewarding, and that you found time to concentrate on the important things; faith, family, and friends. As we begin the second semester and a new year, we would like to thank you for being part of the STPA community. We ask that you continue to encourage your children to do their best at everything they do. Our goal here is to inspire and enable the students to attain their highest potential through challenging and rewarding experiences.

2018-2019 Enrollment

STPA's enrollment date will be Saturday, January, 13,

2018 at 9:00 a.m. Please inform your family and friends or anyone interested in enrolling at STPA for 7th grade. There will not be any 8th grade slots available for next year. Registration is strictly online at stisd.net and will end automatically when all slots are filled. Open pre-enrollment occurs on a first-come, first-serve basis. Please note that you will not be able to request a seat reservation before 9:00 a.m. on opening day; however you can create your

family profile now to cut down on the amount of information that has to be entered on Enrollment Day. All other STISD campuses will also be opening enrollment on Saturday, January 13 at 9:00 a.m.

Demographic Changes

As second semester begins in full swing we must ask parents to please report any address or phone number changes in writing to our office or you may make the changes on the Parent Portal under the Household Info tab. For security purposes, it is best we do not accept changes over the phone. It is very important that we have updated and currently active phone numbers for student emergency purposes. Our school tends to mail out Progress Reports, Report Cards and other important informational memos like this one. Thank you for your help.

ELA 8 Message

ELA 8 students will need to bring their own copy of the book, Night, by Elie Wiesel, for second semester. This information was posted on the course syllabus which students received at the beginning of the year.

STPA'S 1ST SEMESTER CONTRACT GUIDELINES

Now that the first semester is over, some students may have found themselves not in the passing range for a class or multiple classes, therefore STPA offers students the opportunity to help them bring up those failing grades to a passing point. The following is what is called a Student

Contract. Please read this carefully.

1. The student contracts are mandatory. Upon reviewing final grade sheets the administration must have a contract for all junior high school students, with a grade between 64.5 to 69.4, from their teachers for ALL their

classes (including electives). Teachers can provide contracts for students who fall below the grade range (at their discretion).

2. Should a student be successful in passing at semester, but failed the 2nd 9-week period, a teacher will issue a contract if the stu-

dent and/or parent requests for one, within a nine-week period.

3. If the student fails within contract range for the 2nd 9-weeks, but not the semester, a contract must be offered at teacher's discretion for 2nd 9-weeks or first semester.
