"BUILDING A LEGION OF LEARNERS"

Parents/Guardians

For each competition we will be sending an information letter regarding departure and arrival times from and to STPA. Please have your child at the school on time. We must be at the designated school in time to sign in, pick up the necessary materials, and have the students in the proper place for each event. Therefore, we cannot wait for students who are late arriving at the STPA campus. Each coach is required to stay at the campus after we return until their students are picked up. Therefore we would greatly appreciate it when you pick up your child in a timely manner.

Students -If you are being dropped off at the competition site, please find your coach ASAP so you are added to the attendance roster. (This is also needed for lunch purposes).

At Competition Site Students Must obey the following

- **Students must stay in the holding area while waiting for their event**
- **Be respectful of the hosting school by picking up after themselves, especially during lunch**
- **Inform your event coach if you will be going to watch a friend in a speaking event.**

For safety reason students are not allowed to leave unless an adult has signed them out. If you are picking up your child from the competition site, it is **required** that you go to one of the coaches to show that you are leaving with your child. We must see the student leaving with the adult. In the event that an adult does not clear/sign out their student before leaving the premises, the student may not be allowed to compete in future UIL competitions for the school year.

Note: To be eligible for the end of year club field trip students must

- attend at least 3 meets
- attend practice regularly
- no level 2 referrals (severe referrals will result in withdraw from participating in any competitions)
